

# A violin by Galen Hartley, Montpellier, France 2015

Catalogue Number: RKT-2194 \$9,000

**Labeled:** "Galen Hartley, Montpellier France 2015" (handwritten)

**Repairs:** There are no repairs.

**Condition:** This instrument is new from the maker and shows no wear.

**Comments:** Galen has modeled this violin on a pattern of Ruggeri, departing from his earlier copies of Stradivari and Guarneri. The attractive antiquing of the pale varnish gives a convincing impression of age. As always the setup is impeccable and tone satisfying and warm.

Galen Hartley is a young Victoria-born luthier who worked at Larsen Music for eight years and is well known in Victoria as a guitarist. His interest in violin making began when Kim Tipper helped Larsen Music set up their repair shop. Galen continued to do work for Tipper Violins before moving to Montreal in 2012 to continue his work as a luthier in several shops there. In the fall of 2012 Galen worked for several months in the shop of Tony Echavidre in Bordeaux, France where he was

supported by a grant from the Quebec government. In 2013 he worked in Montpellier, France with Wolfram Neureither and Nicolas Gillesand. He has now taken up residence in Montpellier, enjoying the positive and encouraging environment that it offers.
